

JUSTIN THOMAS

PROFESSIONAL SUMMARY

Experienced React JS Developer with 5+ years of overall professional experience in web development, including 4.6 years of relevant specializing in building optimized, user-centric web applications. Proficient in React JS, JavaScript, HTML5, CSS3, and TypeScript.

EXPERIENCE

REACT DEVELOPER

KORU UX DESIGNS | Pune, Maharashtra 11/2024 - Current

- Developed a chart-based health tracker that enables healthcare professionals to monitor client vitals over time and make predictive analyses.
- Researched, evaluated, and implemented state management libraries, comparing multiple options to optimize performance and scalability.
- Gained expertise in RedwoodJS, Storybook, Cells, and GraphQL, applying them to build migration schemas and integrate Cells with GraphQL.
- Wrote Storybook stories for multiple components, improving UI consistency and documentation.

REACT DEVELOPER

KEN42 EDTECH | Bangalore, Karnataka 01/2022 - 03/2024

- Led front-end development for the academic management module, facilitating term planning and faculty onboarding.
- Developed robust APIs with Express.JS and integrated SOQL queries, enhancing data retrieval efficiency.
- Trained and onboarded new front-end developers, improving team productivity.
- Created the beta and initial release of the fee management module, increasing transaction reliability.
- Enhanced Lighthouse performance score from 40 to 85+ by optimizing code and API calls and reducing load time.

REACT DEVELOPER

GIGAFLW TECHNOLOGIES LLP | Bangalore, Karnataka 06/2020 - 12/2021

- Developed a comprehensive Dashboard module, enhancing platform-wide data visualization.
- Implemented fee and payroll solutions for two major clients, improving operational efficiency.
- Integrated Razorpay and PayU, streamlining payment processes for users.
- Developed an Excel-based migration module, accelerating user data transfer by 60%.

SKILLS

Front-End Development:
Redwood JS, Storybook, React JS, React Native, JavaScript, HTML5, CSS3, TypeScript.

Back-End Development:
GraphQL, Node.JS, Express.JS, MongoDB, SOQL

Tools & Platforms:
GIT, Bitbucket, Postman, JIRA

REACT DEVELOPER

WEB DESIGN MAGICS (CONSULTANCY) | Bangalore, Karnataka

02/2020 - 05/2020

- Contributed to the profit and loss statement module for Gigaflow Technologies LLP, improving financial reporting accuracy.
- Designed an Excel-based migration module, streamlining data transfer.

Training and Internship

- Completed a comprehensive training program at Web Design Magics covering core concepts of React.JS, including JSX, component lifecycle, hooks, and state management (10/2019 – 01/2020).
- Built multiple mini-projects to apply theoretical knowledge in practical scenarios during the training.

WEB DESIGNER

ADAAN DIGITAL SOLUTIONS | New Delhi

01/2019 - 09/2019

- Successfully migrated over 600 websites in 7 months, enhancing client satisfaction.
- Conducted Quality Assurance testing for 2 months, ensuring high standards for all websites.

PROJECTS

Braided Health: Braided Health is a pioneering healthcare application dedicated to empowering older adults and individuals with disabilities to maintain independence and health through high-value, in-home care and services. By leveraging advanced analytics and technology.

Technologies: Redwood JS, React JS, Storybook, Cells, HTML5, CSS3, Zustand, Context API, Mantine, GraphQL, JIRA, Git.

Academics Management (Admin Portal): The Academics Management portal is designed for advanced planning and curriculum management in educational institutions. It provides tools for efficient term and semester planning, dynamic timetable generation, and cohort management.

Technologies: React.JS, JavaScript, Redux, HTML5, CSS3, Material UI, Node.JS, Express.JS, SOQL, JIRA, Git.

EDUCATION

MASTERS IN COMPUTER APPLICATIONS (MCA)

Bhai Parmanand Institute of Business Studies | New Delhi

08/2016 - 05/2019

BACHELORS IN COMPUTER APPLICATIONS (BCA)

Institute of Innovation in Technology and Management | New Delhi

08/2013 - 05/2016
